

Take advantage of the no-cost, personal support services that Personal Financial Counselors (PFCs) offer and make the most of your money today as you develop your financial plan for the future.

PERSONAL FINANCIAL COUNSELOR

Our PFCs provide financial literacy and education across the military lifecycle to Service Members and Families, enabling them to achieve financial readiness in support of mission readiness. The no-cost financial counseling services ensure military consumers receive the consumer protections afforded to them by Congress, and reduces the risk of financial challenges and associated stress that may impact individual performance and mission readiness.

Financial education includes but is not limited to:

- ✔ Money Management
- ✔ Budgeting
- ✔ Retirement Planning & the TSP
- ✔ Consumer Debt & Credit Cards
- ✔ Credit Building & Repair
- ✔ Military Pay & Benefits
- ✔ Homebuying
- ✔ Taxes
